My dear Sam,

Yours of yesterday of 26th - Rec'd mail two thousand account purchase to my credit in San Francisco. Eagle" reached me late yesty afternoon but I had time to mail check for that amt to Bank of California with instructions to pass it to your credit, and to telegraph you as follows.

"I have mailed two thousand to your credit in San Francisco. Eagle."

I shall be glad to know particulars which are probably on the way by this time - as I do not know of any amt of stock which I have could likely be in cover unless the S. F. Jew party. After a week of cold, wet - hailing weather we are in the second day of spring weather - but vegetation only beginning to show. I am wondering yesty how things are looking around you. I shall be expecting mine & Ethel by end of Mo. Members of our scattered tribe about as well as usual. Wm. Ed. & the Children expect to locate here soon early next week.

Affy Yr father
